

# Luciedo

High quality brass construction with a mirror chrome finish, blended with state of the art internal ceramic disc function, sets the eloquent Luciedo range apart from other mixers on the market. The simple lines coupled with a stylish step pin handle make this range a must for all architectural designs.

# Luciedo MIXERS

MX803

## FIXED BASIN - SWIVEL END MIXER

- Overall Height = 165mm
- Spout Height = 115mm BASE TO AERATOR
- Spout Length = 125mm

**6 Star Water Efficiency Rating**

MX801

## SWIVEL SINK - SWIVEL END MIXER

- Overall Height = 165mm
- Spout Height = 150mm BASE TO AERATOR
- Spout Length = 220mm

**6 Star Water Efficiency Rating**

MX805

## BATH/SHOWER MIXER

- Back Plate = 75mm O/D

MX807

## BATH/SHOWER DIVERTER MIXER

- Back Plate = 150mm O/D

SPO35

## MIXER BATH SPOUT

- Length = 160mm

MT001

## BASIN TWINNER MIXER

- Overall Height = 230mm
- Spout Height = 145mm BASE TO AERATOR
- Spout Length = 115mm

**5 Star Water Efficiency Rating**

MT003

## SINK TWINNER MIXER

- Overall Height = 355mm
- Spout Height = 230mm BASE TO AERATOR
- Spout Length = 200mm

**5 Star Water Efficiency Rating**

MX809

## MIXER BATH SPOUT COMBINATION

- Spout Length = 190mm
- Back Plate = 170mm x 80mm

TSF11C

## PILLAR TAP MIXER

(ALSO KNOWN AS SANTA FE PILLAR TAP)

- Overall Height = 110mm
- Spout Height = 50mm BASE TO AERATOR
- Spout Length = 90mm

**3 Star Water Efficiency Rating**
